

Dear Parents,

Bulloch Alcohol & Drug Council in partnership with the Statesboro-Bulloch County Parks and Recreation Department Afterschool Programs offers a program called All Stars for 4th and 5th graders.

All Stars is based on Character Education. It deals with 6-character words, caring, forgiving, helpful, honest, respectful, and responsible. Very important traits for all of us during these uncertain times.

I've attached the scavenger hunt that would be done at home during the All Stars program. This activity revolves around the two words "caring and helpful." I thought this activity could be a competition for more than one child and in the meantime have them help with some of the chores.

Stay tune next week for another activity from All Stars.

Stay healthy and safe,

Lynne Sroczynski
