

Dear Parents,

Bulloch Alcohol & Drug Council in partnership with the Statesboro-Bulloch County Parks and Recreation Department Afterschool Programs is sending a couple of "good character" activities this week. Hope your students will enjoy working on them.

Take time to review what the words mean to you and ask them what the words mean to them. Ask them to give you examples of what does each word look like in their life. *Example: Respect looks like saying please and thank you to the adults in my life.*

Stay tune next week for another activity on good character.

Find the Good,

Lynne Sroczynski

Alcohol Substance Abuse Prevention Project Coordinator
