

FAQ's for AfterSchool

How does the school know they are in the AfterSchool Program?

You should be able to tell their teacher at Open House that they are in the program. If you are unable to attend Open House, you can always write a note to the teacher telling them that they are in the program.

By registering them in AfterSchool, does this allow them to be in Camp Adventure?

If you have registered your child in AfterSchool, you will not have to pay an additional registration fee. However, you will still need to pay for that week of Camp Adventure like you would for normal AfterSchool. If you have not enrolled your child in the AfterSchool program, then you will need to fill out an information sheet and pay the registration fee and care for that week.

How do you register for Camp Adventure?

You can register for Camp Adventure just like you do for AfterSchool. You will not have to pay for a registration fee if your child is already enrolled in the AfterSchool Program. If your child is not in the AfterSchool Program but you would like care during the school breaks, you will need to come to the Honey Bowen Building to fill out an information sheet and pay a registration fee. At this time, we will give you access to an online portal that will allow you to pay online.

If people listed on the emergency contacted list are picking up my child, do they need a pick-up card?

They do not. However, they will be required to provide their driver's license at the time of pickup. It is also suggested that a note be sent with your child so that staff can know in advance.

How do I arrange getting my child from SHS or SEBHS to Mill Creek or Brooklet Elementary?

You will need to notify your child's preschool teacher, and they will coordinate for your child to be on a bus to go to those sites.

Where do I go to pay online?

You will go to www.bullochrec.com and click on register now. When you do this, it will take you to our online system (MyRec). Click on new account; or if you are already in the system, Login, then select program you want to register for.

Can I list more than four emergency contacts?

Yes, you can list however many emergency contacts you would like.
