* When there is a tie, standings are done in alphabetical order, until the end of the regular season. Playoff standings will be decided by Head to Head when there is a tie between two teams. If three or more teams are tied at the end of the regular season, Tie breaker will be broken by using Best Record, Head to Head, Points Allowed, Points Scored, and then the flip of a coin. In the case of a forfeit the winning team will be given a score of the average winning point total to that point in the season, and the losing team will be given a score of the average losing point total to that point in the season.
