**At Bulloch County Recreation and Parks  
we have something for everyone!**

*Letter from the Director:*

What a year it has been! I've been Director with Parks & Rec in Bulloch County just over two years now. What started a little rough with COVID-19 has turned into smooth sailing as we move forward with all of our sports and special events!

We were able to host ArtsFest in the Spring at Georgia Southern, had a successful spring sports season, and we are currently in the middle of a fun summer with Sandlot Baseball, a variety of day camps, and of course, Splash in the Boro Waterpark operations!

We look forward to a full Fall as we register for football, soccer, cheerleading and so much more, in addition to, our afterschool program and many instructional programs.

We hope you'll join us for all that we offer and if you ever think of anything we might want to add to our program listing, give us a call or email and we'll certainly take it into consideration!

Be well,

*Eddie Canon*
