

Forest Heights Country Club & Bulloch County Recreation and Parks

Would like to introduce Adult League Tennis to Bulloch County and surrounding areas.

This would be an Adult League formatted at your skill level. A team match will consist of 3 Doubles Teams playing another team. Sign up with a partner or we can find a partner for you.

There will be 3 levels A 4.0 or better NTRP rating, B level 3.5 NTRP rating, and C level 3.0-2.5 NTRP rating.

Teams will be Men's and Women's and we will help form teams.

Forest Heights Country Club will hold an information forum and a verification clinic to help classify your level and to help make the teams fair, so come dressed to play.

September 10th from 3:30-5:00 with a rain date of September 17 same time @ Forest Heights Country Club.
