Community members are invited to join us as we celebrate the reopening and get a first look at the newly renovated tennis courts. This project represents another step in the department's ongoing commitment to providing quality recreational facilities and opportunities for residents of all ages and skill levels.

"We are excited to welcome our community back to Mill Creek Tennis Center and show off the fresh, new courts. We want everyone to come out, take a look, play a match and help us celebrate this exciting improvement to our recreation facilities," said Dadrian Cosby, Recreation Director.

The department would like to extend a special thank you to Pape-Dawson and Pope Construction for their hard work, dedication, and contributions to completing this project. We also want to express our sincere appreciation to the Bulloch County Board of Commissioners for their continued support of recreation and their passion for providing quality services and recreational opportunities to the citizens of Bulloch County.
